Dear Ma'am/Sir,

I am writing this to formally request the unblocking of my final grades. My inability to complete the evaluation was due to unforeseen technical difficulties beyond my control. I experienced an internet issue here in our province due to the poor mobile data coverage. This unexpected interruption meant that I was unable to access the evaluation platform. I understand the value of providing timely feedback to instructors and I would have completed the evaluation thoroughly if I hadn't run into these difficulties. I apologize for any inconvenience caused by my absence from the evaluation.

I sincerely hope that you will consider my explanation and grant my request for grade unblocking. Thank you for your time and understanding. I look forward to your favorable response.

Sincerely,
Ciddy S. Macapinlac
